Dear Shareholder,

Communication via the website: Preferred Option Card

In accordance with the Companies Act 2006 and the Company's Articles of Association, the Company may send or supply certain documents and information ("Documents") to shareholders by making them available on the Company's website, "www.huwplc.com" (the "Website"). The Board believes that communicating via the Website will not only deliver savings to the Company in terms of administration, printing and postage and be better for the environment by reducing the consumption of paper and ink, but also improve communication with shareholders.

In order to send and supply Documents to shareholders in this fashion, the Company is required to notify shareholders individually of its intention to communicate via the Website and to give shareholders the opportunity to request that paper copies of Documents are still sent to them.

Accordingly, a "Preferred Option Card" is enclosed for you to indicate your preferred means of communication by the Company. If you:

- » agree to the Company sending or supplying Documents via the Website, complete Part A on the Preferred Option Card and send it to Neville Registrars Limited in the enclosed envelope; or
- » prefer to receive paper copies of Documents in the post rather than via the Website, complete Part B on the Preferred Option Card and send it to Neville Registrars Limited.

Please note, if the Company does not receive a response from you within 28 days from the date of this letter, then it will be deemed that you have agreed to the Company sending or supplying Documents to you electronically via the Website.

Where you agree or are deemed to have agreed to receive Documents via the Website, we will notify you when Documents are available on the Website, provide you with details of the page on the Website where the Documents can be found and give you details of how to access the Documents.

Please note that there may be particular circumstances in which the Company needs to send Documents to you in "hard copy" rather than via the Website, in which case the Company reserves the right to do so.

Yours sincerely,

Martha Bruce
Company Secretary
By order of the Board

Detach along the dotted line and return in the envelope provided.

Please complete either Part A or Part B of this Preferred Option Card and return it to Neville Registrars Limited in the enclosed envelope to indicate how you would like to receive communications from the Company in future.
